September 16, 1916.

The Honorable,

The Commissioner of Indian Affairs,

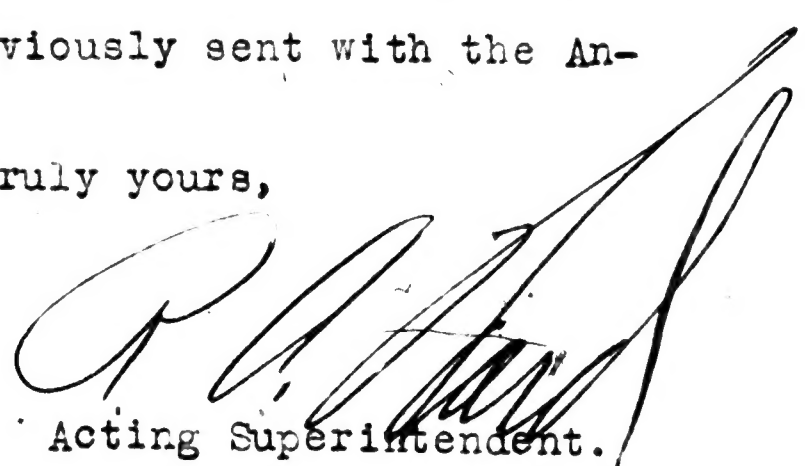

Washington, D. C.

My dear Mr. Commissioner:

I enclose herewith certain data ~~relative~~ to the Annual Reports for 1916, as recently requested by your Office. Page 33-A of the Gila River Reservation Report, which is called for, was forwarded to your Office under date of September 5; and has no doubt been received by this time. Page 6 of the same report is enclosed herewith, as requested. Page 33 is returned corrected according to your instructions.

With regard to the Gila Bend Annual Report for 1916, pages 43 and 37 are enclosed. Duplicate copy of page 35 is also enclosed, it having been necessary to correct query 60 on this page. Kindly therefore substitute the said page enclosed for that previously sent with the Annual Report.

Very truly yours,

Acting Superintendent.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Pima Indian School,

Sacaton, Arizona.

Oct. 19, 1912.

Hon. Commissioner of Indian Affairs,

Washington, D. C.

Sir :-

Replying to Office letter dated Oct. 12, 1912,
I have the honor to return those portions of Annual
Report sent for correction, details having been sup-
plied as requested. Our census lately taken shows the
population as reported, viz: 3996 Indians on the Gila
River Reservation. If a change were made to corres-
pond with the figures sent by your Office for preceding
years, such figures would be erroneous. The mistakes
in the figures given for past years are accounted for
by the fact that no exact census has ever been taken of
the population of the Gila River Reservation except the
one recently completed.

It is noted on the printed slip sent for our
inspection by your Office that the Papago population
on this reservation is given as 704. These figures

2

probably represent the population of the Gila Bend Reservation and some adjacent villages. As no exact figures are obtainable without special investigation and the taking of a census of the Gila Bend Indians and others in that district, the figures are all estimated.

The Apache population on the Gila River Reservation is given as 55, for the year 1911, according to printed notation sent by your Office. This is evidently an error, and may represent the Apache population at that time on the Salt River Reservation. These will probably be included in the Annual Report sent by Supt. Chas. E. Goetz, in charge of Camp McDowell and Salt River Reservations.

The Maricopa tribe was much reduced last year by an epidemic of measles.

There are many Papago Indians nominally under the jurisdiction of this Agency who are not on any reservation. Also others who are on the recently created Executive Order reservations. The number of these Indians is estimated to be between 1000 and 1500. Below is given an estimate of all Indians under the jurisdiction of this Agency.

On the Gila River Reservation:	Pimas	3624	
	Maricopas ..	264	
	Papagos.....	107	
	Apaches.....	1	Total 3996

Population of the Gila River Reservation, (Brought forward)	3996
Papago population of Gila Bend Reservation and District	700 (estimated)
Papago Indians living outside the Gila River Reservation other than those at Gila Bend,	1300 (estimated)
Total	<u>5996</u>

The above total nearly corresponds with the figures given for 1910, as noted by your Office, and is believed to be as nearly accurate as can be obtained at this time in the absence of exact information in regard to the numerous bands of Papago Indians who have received practically no care or assistance from the Government.

Respectfully,

Frank A. Peabody
Superintendent.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Pima Agency, Sacaton, Arizona,

July 31, 1919.

Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:

I enclose you herewith Statistical part of
my Annual Report for 1919, and Census for 1919.

You will note that while the report calls
for 6260 total of Pimas, Papagos and Maricopas,
the Census does not give the names of this many.
By way of explanation, I wish to say that this
Census is based on the Indians who have been
allotted, and it has not been possible to get the
names of all unallotted Indians owing to the fact
that they are scattered over a large area of country,
and many of them are not at their homes on the
reservation, but are working out at various places.

You will also note that there is an apparent
error owing to the fact that there is a greater
number of deaths than births. There has been no
attempt to correct this as we realize that we do not
have complete figures on births and deaths. The
figures that we have are such as we could get during
the year.

Very respectfully,

[Signature]
Superintendent.
